## kit list

The items listed below are purely recommendations. The list has been designed by the tour operator, Charity Challenge local ground handler and past challenge leaders; however please take into account your personal preferences and common sense. We are open to further recommendations upon your return. See what you can borrow, and if you need to purchase any items, remember that you can get a 15% discount on equipment from **Nomad Travel Stores** (call 020 8889 7014 and quote the special discount reference **CC1001** or click here to shop with [Nomad Online](#)). Nomad Travel Stores will also put together a first aid kit specifically for your expeditions.

We have also negotiated a 15% discount with **Cotswold Outdoor Ltd** at any of their stores nationwide. You will need to quote AF-CHARITY-D7 when making your purchase either online ([www.cotswoldoutdoor.com](http://www.cotswoldoutdoor.com)), from the Cotswold Outdoor catalogues, or by mail order Tel. 0844 557 7755 Fax. 01666 575 507. Please [click here](#) to open full details of the scheme.

If you would prefer to hire kit, please contact Trek Hire (01306 886333 or visit [www.trekhireuk.com](http://www.trekhireuk.com)).

Try to use your equipment before you go – particularly your cycling kit, camel pac, cycling shoes etc, this will show up any manufacturing faults and whether they are comfortable enough. Good footwear and care of the feet is most important.

Bring as little as possible but bring everything you need. Travelling light is much less of a hassle, so do not bring things you can do without. If you need to wear jewellery, keep it simple and inexpensive. The general rule is that if you don't need it, don't bring it.

Your main bag should not weigh more than 15kg. Your hand luggage should not exceed 5kg and maximum dimensions of 56x45x25cms. Please make sure you pack your rucksack/kit bag yourself, and do NOT under any circumstances take any items through customs that are not yours or that you have been asked to deliver for someone else.

Keep extra cash, passports and house keys in your hand luggage

Don't pack valuables, cash, fragile or perishable items in your hold luggage. Insurance companies will not accept liability for them
