

NEW YEAR SALE 2026

Terms & conditions as at 20.10.2025

- Discounts are available from 9am Tuesday 23rd December 2025 until midnight Saturday 31st January 2026 on selected 2026 and 2027 challenges.
- Any challenges that are included in promotion will show on the **Special Offers** page of our website (<https://www.charitychallenge.com/special-offers>)
- Discounts are only valid for that specific challenge and are **non-transferrable** should you need to cancel/transfer your booking.
- Discounts will be deducted from the registration fee. Please note that you cannot pay your registration fee in instalments if you are taking advantage of the New Year Sale promotional code. You will need to pay the reduced registration fee (after the promotional discount has been applied) in one payment at the time of making your booking.
- You must enter the discount code **NY2026** at the time of booking in order for it to be applied to your booking. **We cannot apply discounts retrospectively once the booking has been completed.**
- The reduced pricing applies strictly to new bookings made between Tuesday 23rd December 2025 until midnight Saturday 31st January 2026. Bookings that have already been confirmed are locked into their original price and are not entitled to the reduced pricing.
- Only one discount code can be used at any one time. The NY2026 code cannot be used in conjunction with any other promotional codes.
- Applies only to the challenges indicated as included in the sale on the Charity Challenge website. Prices as advertised.
- Charity Challenge reserves the right to withdraw any challenges from the promotion or amend these Terms and Conditions at any time without notice.
- Spaces are limited to the challenge maximum group size.
- We are offering the above promotions in good faith in order to meet the minimum numbers required to operate your chosen challenge. Should this minimum still not be met twelve weeks prior to departure, we may still be able to operate your challenge as a small group. In this instance, we will apply a small group supplement as detailed in

the 'Costs' tab of the relevant challenge page on our website. This supplement will be added to your final invoice.

- Alternatively, should numbers remain too low to operate the challenge, even as a small group, we reserve the right to cancel that challenge and will carry over 50% of the promotional saving to your chosen alternative challenge departure date. Only one promotional code can be used at a time.
- If you decide to postpone or transfer your challenge, we are unable to carry over the promotional saving to your chosen alternative challenge departure date. You will need to cover the difference in costs.
