Where am I covered?

You can select the area of cover that is most appropriate for your travel plans. Cover will not apply if you travel outside the area that you have chosen unless this is within the permitted stop over allowance described. The area you have chosen will be shown on your insurance confirmation.

You will not be covered if you travel to or choose to remain in a country or region where the Travel Advice Unit of the British Foreign and Commonwealth Office or the World Health Organisation has advised against all travel or all but essential travel or where you have travelled against the advice of the local authority at your trip destination, unless agreed otherwise with the insurer.

What are my obligations?

- Answer any pre-sale questions as truthfully and accurately as possible.
- Read your policy carefully to ensure you have the cover you need.
- Tell us as soon as possible if there are any changes to your circumstances that may affect your cover, or if it is likely you will need to make a claim.
- You should take reasonable care to protect yourself and your property against accident, injury, loss and damage and to minimise any claim.

When and how do I pay?

You will need to pay your policy premium in full in order for cover to apply. All cover will end if payment is incomplete or rejected, or if the policy is cancelled.

The premium can be paid using one of the payment options given to you by the seller of this insurance.

When does the cover start and end?

For single trip cover

Cancellation cover begins from the issue date shown on your booking invoice or validation certificate (as applicable) and ends at the beginning of your journey. The cover for all other sections starts at the beginning of your journey and finishes at the end of your journey.

For annual multi-trip cover

Cancellation cover begins on the start date shown on your booking invoice or validation certificate (as applicable) or the date you booked your journey, whichever is the later and ends at the beginning of your journey. The cover for all other sections starts at the beginning of your journey and finishes at the end of your journey.

Cover cannot start after you have left your home country. Each trip must begin and end in your home country.

Cover ends when you return home or at the end of the period of cover as shown on your booking invoice or validation certificate (as applicable), whichever is earlier.
