

NEXT GEN. FUNDRAISING

givestar is a next generation giving platform connecting donors, charities and corporates. Our mission is to unleash the good in everyone.

- Enables participants to raise more through mobile-first technology
- Provides charities with powerful tools to manage and grow fundraising
- Best-in-class reporting to reconcile all data

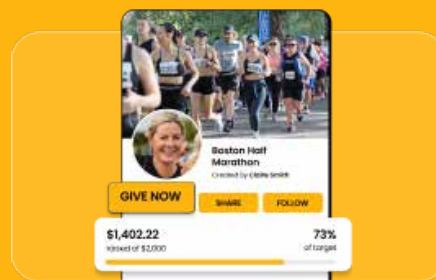

WE PROVIDE THE TOOLS TO DRIVE GREATER IMPACT

givestar is the fundraising platform that gives charities and their supporters the edge. We provide the tools to drive greater impact in today's mobile first, cashless society.
